

Nina's Bakery - Allergens Guide

Last Updated May-21

It is very important for our customers to know that all of our kitchen handle the following: dairy, tree nuts, peanuts, gluten (wheat), egg, sesame, sulphites and soya. If you have a serious allergy to any of these allergens, or one which could cause you to have a major reaction, sadly the only way to be 100% safe is not to consume any of these products.

All of our products are baked in a small kitchen that handle NUTS, PEANUTS, CEREALS containing GLUTEN, MILK (dairy) and other allergens. Please speak to our staff or contact us on info@ninasbakery.co.uk about the ingredients in our products before placing an order.

Our Made Without Red Velvet cakes contain distilled white vinegar which is fermented from BARLEY

All of our tree nuts come from suppliers that also handle peanuts. Therefore, all of the tree nuts that we use, may contain some traces of peanuts
